ABOUT US

Our company was founded in Konya - the capital for Turkish heavy duty commercial part production -, with ORIONPART registered trademark to act as an end-to-end solution partner in the field of automotive replacement spare-parts for our esteemed worldwide customers.

We are specialised and have more than 15 years experience in European trucks, suitable for Man, Mercedes Benz, R.V.I , Volvo, Scania,Iveco, Daf, truck spare parts, Trailers and Bus spare parts with ORION PART brands. We dedicate ourselves to meet the needs of foreign and domestic markets with our more competitive prices, comparing to the original parts' prices with same quality. Aiming for long term mutual cooperation and entities based on contentment instead of short term commercial expectations and encouraging all employees for this goal.

We pride ourselves in offering a wide range of production and expertise in all parts and components accessories engine parts, electric parts, brake parts. Providing our customers with different alternatives. Our dynamic organization structure which includes order, production, transportation and delivery on time is the biggest difference we offer in this sector.

Nicely revising the company in new market conditions and taking initiatives in that context by considering the mission of innovation.
